Department: Administration
Department Director: Jeff Weckbach, Township Administrator

Strategic Plan Goal:

Discussion - Potential Initiatives for 2024-2026

No action is requested of the Board.

Rationale:

The goal of this discussion is to offer feedback on any of the proposed initiatives offered at the Town Hall and to have a discussion on any potential initiatives that members of the Board of Trustees would like to see included in the Strategic Plan. Based on the feedback from the July 11, 2023 Work Session, staff has drafted the below legislative priorities for consideration that can serve as a guide for where initiatives can best support the overall goals of the Board of Trustees:

- Chart a Pathway to Long Term Financial Stability
- Continue to Provide High Quality Safety Services, with an Emphasis on Crime Deterrence and Enhanced Response Times
- Revitalization of the Community through Economic Development, Beautification, and Code Enforcement
- Expand Opportunities for Recreation for all Ages
- Continue to Improve Operations with a Focus on Alternative Service Delivery
- Make Progress on Deferred Maintenance and Reposition Existing Assets
